### **September match reports**

**3 Sep - Tideswell v Baslow\***

**Baslow 168-1, TCC 155-5**

**16 Sep - Duckmanton Lodge v Tideswell**

**TCC 87, D'manton L. 88-3**

A season much affected by rain, despite July's heat, ended with a whimper at Calow as Tideswell collapsed on a slow pitch to some fairly average bowling. The home side, a friendly bunch, weren't crowing either as they had just heard that their ground, along with the 19<sup>th</sup> century ironmaster's house from which they take their name, was soon to be sold for development.

As this land is owned by a branch of the civil service, one can only laugh at the present government's pretence that it is encouraging sport in this country. We are forever being told of Awards for All and other Sport England grants: just try to lay your hands on this money to *keep your sport going*. True, Tideswell obtained its Sports Complex courtesy of Sport England, but none of the available funding can go towards *the upkeep* of such grand facilities.

Recently we were encouraged by DDDC to nominate volunteers who have put in exceptional effort to support a sports club – for some cheap award and a short speech of thanks from a council representative, who probably earns a salary adequate to pay for a small team of groundsmen for writing wheelie bin risk assessments. Better to do something useful for the club than waste time turning out for the presentation, really.

Meanwhile we keep playing cricket, against the odds. And the odds were all against TCC in their last home match. The number of overs had to be trimmed to 25 because of persistent rain, and Baslow, thanks to a quick-fire 57 from Tony Sadler, managed a competitive total. A captain's innings of 85\* from Dave Waining brought Tideswell reasonably close, but the conditions were getting worse all the time and both teams were glad to finish this one.

At Calow, player availability restricted the Tideswell team to just 9. John Goddard and Andy Stelling took Tideswell to 64 with no apparent difficulty, but when Stelling was bowled by an exceptionally slow ball, the rest fell like dominoes, almost everyone holing out off Calvert's bowling. One exception was Tom Bent (3\*), who, remarkably, has not been out once in 6 trips to the middle this summer. It was also good to see Andy's son Jack Stelling enjoying a full match. There was never much doubt about the result, although some tidy bowling by Tideswell ensured that it took 31 overs to get there.

With cricket over for the summer, TCC looks ahead to its AGM and the Annual Dinner before Christmas, and winter nets after New Year. A new venue is being sought for nets following a change in arrangements at Buxton Community School.

## Neighbourhood Watch

There have been reports that organised groups are collecting clothes for a bogus charity and then selling them on for personal gain.

Leaflets are distributed prior to a collection and a bogus charity number is used. If you receive a leaflet and have any concerns please keep the leaflet and contact the Police on 0845 123 33 33.

During the last two weeks, there have been several reports of burglaries when one person distracts the householder whilst an accomplice steals personal belongings. One example was when the offenders, in order to gain access to the property, said that they were from the waterboard. They told the householder that there was a problem with the drains and that it was necessary to run the water until the dye came through. One man stayed in the kitchen with the householder whilst the other one stole from another room.

In other instances offenders have asked occupants to check their money as they say that they have observed their houses being broken into.

Some offences are believed to be linked to a silver Skoda estate car, displaying various registration plates on different sightings.

Please remember not to let strangers into your home even if they look official, without checking identification first and to report any suspicious callers to the Police without delay on the number given above.

From Sue Barber on behalf of the  
**High Peak Diabetic Self Help  
Group...**

Thanks to Ann Smith for the donation to Diabetes UK. She raised £60 in memory of her late husband George by holding a coffee morning recently. I will give the donation to Diabetes UK at their conference in Bristol shortly.

High Peak Diabetic Self Help Group... we have had a busy time. In August Dr. Stuart Bootle addressed a meeting of over 40 people, which was very well received. The children's section (Pen People) had a party and their guests were diabetic children from Chernobyl. This party has become an annual event for the Chernobyl visitors. Each child was given a goody bag provided by the Diabetic Group. The meeting on October 2nd at the Portland Hotel is all about diabetic retinopathy screening. Michael Kelly will address the meeting. The November meeting will be the 20th Anniversary Celebration... with special guests. If anyone would like to know more about the group, please phone Sue Barber 871644 and leave a message between 9.0am and 6.0pm.

## POLICE MATTERS

I am very pleased that Bishop pursglove school has now got their CCTV up and running, it is in colour and pin sharp. I recently attended the school assembly and set the children a competition to identify how many camera's their were. The results were very interesting and the winners who were pulled out of the hat were awarded a large bar of chocolate each. I also talked to the children about the forth coming Halloween celebrations and parents should be very proud that their children gave a faultless response to the things that they should not do during that time.

It is unfortunate that a local Tideswell youth recently decided to verbally abuse a female local villager in the pot market. The person was truthful about what he had done and elected to pay the £80 penalty ticket, rather than go to court. I hope the issueing of £80 tickets will not be to regular because at £80 a go it will get very costly for the person/s who want to behave in this matter.

A local man recently had two packs of Stella Artois lager stolen from his domestic garage. The Tideswell community responded promptly, three local youths from Tideswell and one from outside the village have been interviewed. A decision has yet to be made by County Prosecuting solicitor who will decide if they, together with their parents are to be summoned before the Magistrates at the Juvenile Court at Chesterfield.

Please remember that these incidents have been committed by a very very small minority, and does not reflect the excellent behaviour displayed by the majority of youth in Tideswell.

The multi agency partnership Tideswell steering group which was set up in October 2003 has been nominated for the national "Taking a stand award" from the Respect Task Force, a national organisation set up to tackle anti social behaviour. The group has received £1000 and a number of articles will be circulating in the local press which describes the groups achievements in more detail.

If I can help you, please contact me in the normal way

### SITUATION VACANT.....

The Village Voice is in need of an Advertising Manager Melanie Greening - James has been undertaking this job for the last couple of years, but has indicated that due to pressure of other commitments she needs to stand down from this post. We would like to thank Melanie for her contribution to the Voice, she has got the process of invoicing for advertising well organised, which will make it a lot easier for someone to take over!

It is something which takes up relatively little time each month, a little longer twice a year when the invoices for our regular advertisers are sent out, but overall it isn't too onerous a task.

If anyone feels that they could take on the job, please contact Bob B. on 871873 or Bob W. on 871804 so we can arrange a meeting to discuss the support the Voice needs from an advertising manager - you may be surprised at how easy it could be.

### TIDESWELL PARISH COUNCIL - COUNCIL NOTES

For the past couple of months there have been no Council Notes in the Village Voice, as no report has been received. We have asked the Parish Council if the notes are to be continued, as they are a valuable regular feature in the Voice, and we can assure our readers that the Notes should reappear in the very near future.

# Green House Organics

chemical-free skin care

## Does Your Skin Care Scare You?

Research shows that many of the chemicals in your everyday skin care products may actually be doing you more harm than good.

Some chemicals have been shown to react with the plastic bottles to create a recognised chemical that has been linked to cancer. Others are known to cause allergies.

**... and these are products you apply to your face and body on a regular basis?**

## Relax... help is at hand

Green House Organics, a Tideswell-based business, is a new source of information telling you straight just what goes into your skin care products and giving you some sensible alternatives.

We only sell approved organic, natural skin care products, which help look after your skin, as well as the environment.

For more details go to [www.greenhouseorganics.co.uk](http://www.greenhouseorganics.co.uk) or call Annette on 01298 872801.

We are still hunting for someone to help with Scouts on a Thursday evening. One of our Young helpers from Cubs is helping with Scouts until Christmas, but we still need to recruit at least one more adult helper, and preferably two. If you can help, please come and see us at the School on a Thursday evening between 6.30 and 8.00 p.m.

As you will spot from the poem on the right, we are collecting printer cartridges and mobile phones to recycle, and also make a bit of money! Please hunt around and see if you can find any - this will be an on-going project, we'll remind you about it from time to time, so please think of us and the planet rather than simply throwing them in the bin.

For Activities and Camp money we need,  
Help from you for our appeal we plead.

Print cartridges and old mobile phones we seek,

To make us money and keep us meek.

Tideswell stores are being so kind,  
They'll pass on any you find.

Or bring to Scouts on a Thursday night,

And get a 'Thank You', sunny and bright.

So please get hunting low and high,  
As Scouts again say 'Goodbye'.

# Choosing a financial adviser

"Seek out the adviser with the **knowledge** you don't have, the **understanding** to listen to your deep concerns and the **vigour** to implement and stick to an investment plan.

**One of the major reasons to use a financial adviser is to reduce the risk of investing. An adviser helps eliminate the emotional cycle of investor psychology that can lead us to buy and sell at exactly the wrong moments, and he or she can save us from making bad decisions during times of upheaval, stress or change in our personal lives.**

It is perhaps most important, though, to select someone who inspires trust, who gives you the sense that you are listened to, whose integrity is obvious and unquestionable, who is excited by what he or she is doing, and who communicates with you clearly and understandably.

In a way, an investment adviser is like a family priest or minister, a rabbi or mullah, a best friend, or a counsellor.

Remember that you are looking for a professional relationship to last a lifetime and not a quick fix at a bargain-basement price."

## TIDESWELL TENNIS CLUB WOMEN ON TOUR

Tideswell Tennis Club Women poised (and posed) for a forehand volley or was it a backhand volley?

Tideswell Tennis Club women recently went to sunny Nottingham for our third successful annual weekend away. The winning combination consists of two days at the David Lloyd Leisure Centre with elbow aching amounts of tennis on their outdoor and indoor courts, tennis coaching, unfit classes and plenty of chilling by the pool and in the café.

Every year it's been great that non-members have joined us on the weekend and have then decided to join the club. Thanks to Derbyshire Lawn Tennis Association for subsidising the coaching. Information about Tideswell Tennis Club can be found on [www.tidsatennis.org.uk](http://www.tidsatennis.org.uk)

**Fabulous Film Night**

Tideswell Cinema opened its 2006/2007 season with a film that, according to one member of the audience, 'you can never tire of watching' - Pride and Prejudice. Well cast, well acted, beautifully shot and full of scenes that we know so well, Joe Wright's version of this timeless classic couldn't fail to make the audience happy. When the first view of the Peak District country side filled the screen there was an audible sigh from the audience.

Moving on now, though, to our next screening. Walk the Line is the story of the love that grew between Johnny Cash and June Carter during the early years of Cash's career - with an amazing score. Reese Witherspoon's singing as June is lovely, and Joaquin Phoenix's as Johnny Cash contains the raw energy and soul that defined Cash's sound. The film focuses on the passions that drove Cash's music and on the woman who gave him strength.

Although we have doubled our membership since our first season, new members are still very welcome. This screening is open to all and tickets can be sold on the door - so come along and enjoy this haunting and inspiring American romance.

There was a very enthusiastic response to the idea of film talks, so we will be contacting the lecturer and setting a date. If there is a particular film, or cinematic theme, that you would like to learn more about please email your ideas as soon as possible to [cinema@tideswell.net](mailto:cinema@tideswell.net).

**From a letter received from Mr. Roger Orton.**

Dear All,

May I say a big big thank you to all the people of Tideswell for all their help and support they have given me in the past few weeks. I am now living at Nicholson Court and looking forward to life once more. My health is much improved thanks to the Doctors and Nurses at Parke Road Surgery. I must say a big big thanks to Chris at Nicholson Court for all her help, she is a diamond shining out to help

Thanks to all,  
Roger Orton.

## Your annual Bonfire

Tideswell & District Community Association will be putting on a tremendous firework display on 4 November. We do this so that everyone can enjoy the display and stay safe.

The bonfire itself is one of the spectacular shows. It is made possible through the donation of wood by local people and the hard work of the collectors, most notably Kevin Chappell and Philip Swarbrick with his son David, who build the bonfire.

We had to think long and hard this year as to whether we could have the bonfire or not. This is because of the problems we have faced in recent years with people dragging ordinary household waste, tyres and mattresses onto the site; our more troublesome youngsters trying to set the fire alight in the run up to the bonfire; and those with wood to collect not making their donations easily accessible.

In the end we decided that the bonfire is a great feature of the event and we'll give it another go. We need your help to be able to continue with this tradition. We therefore ask:

- Have your wood donations ready and accessible during the week of 30 October
- Do not dump any articles up at the site itself - please call Dorothy on 871661 if you have wood for collection
- Volunteers to help with wood collection should call Sandra on 872167

With your help and support, we look forward to another hugely successful evening that everyone can enjoy.

Julia Fell  
Chair, Tideswell & District Community Association

## ARE YOU ELIGIBLE FOR A FLU VACCINATION?

**Only if you fall into the following categories can you now make an appointment to have a flu vaccination;**

**Category 1 patients will be immunised first.**

**A patient who is over 65 year old or suffers with any of the following chronic conditions is classified as a Category 1 patient by the Department of Health**

<b>Chronic heart disease</b>	<b>Congenital heart disease Hypertension with cardiac complications Chronic heart failure Individuals require regular medication and/or follow-up for ischaemic heart disease</b>
<b>Chronic respiratory disease</b>	<b>Chronic Obstructive pulmonary disease (COPD) including chronic bronchitis and emphysema; bronchiectasis, cystic fibrosis; interstitial lung fibrosis; pneumoconiosis and bronchopulmonary dysplasia (BPD) Children who have previously been admitted to hospital for lower respiratory tract disease Asthma that requires continuous or repeated use of inhaled or systemic steroids or with previous exacerbations requiring hospital admission</b>
<b>Chronic renal disease</b>	<b>Chronic renal failure Nephrotic syndrome Renal transplantation</b>
<b>Chronic Liver disease</b>	<b>Cirrhosis Biliary Atresia Chronic hepatitis</b>
<b>Diabetes</b>	<b>Type 1 Diabetes Type 2 Diabetes requiring oral hypoglycaemic drugs</b>
<b>Immunosuppression</b>	<b>Immunosuppression due to disease or treatment Patients undergoing chemotherapy leading to immunosuppression Asplenia or splenic dysfunction HIV infection</b>

As you will probably be aware, there is a national shortage of flu vaccines and the practice has a limited supply.

We are hoping to have a delivery around the 8<sup>th</sup> October, 2006 and have set up some clinics after that date. Please telephone the Tideswell Surgery on 01298 871292 to make an appointment in the practice nurse clinic.

If you are housebound, please telephone Tideswell Surgery and ask for a home visit.

**Please understand we can only vaccinate patients who fall within the Department of Health Criteria. Please do not put the clinical or reception staff under pressure for an appointment if you do not fall in the Department of Health criteria.**

## GREEN WHEELIE BINS NOW TAKE MORE

If you don't have a green wheelie bin you may be interested to know that these bins can now be used for cardboard and kitchen waste not just garden waste.

From mid-September Derbyshire Dales District Council expanded their fortnightly collection to include;

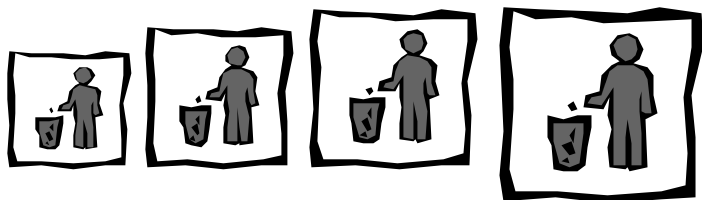

“Cardboard of any type including cereal and food boxes...”

“Kitchen waste ... this includes vegetable peelings, fruit peel and cores, cooked or uncooked meat, fish and bones, tea bags, coffee grounds, any other food scraps cooked or uncooked.” It's recommended that kitchen waste is wrapped in newspaper or cardboard (what joined up thinking!)

## Tideswell Theatre

### Madam Lucinda's Wonder Show

An evening of illusion, daring acrobatics, slap stick comedy, live music, dance and spectacle comes to Tideswell on Friday 13th October when the Theatre at the URC Hall is transformed into a 1920's style sideshow by a visiting professional theatre company.

*Madam Lucinda's Wonder Show*, performed by Rogue Theatre, is a really different piece of theatre to excite, surprise and amaze. It follows September's sell-out *The Allotment* performed by New Perspectives where people queued for returns. Expect a compelling evening which includes side splitting comedy, explosive physical theatre, inventive storytelling and live music.

Madame Lucinda presents the unusual stories of three weird and wonderful acts – Svetlana The Living Doll, Sirius The Man Who Knows and Lo-Lo the clown. This isn't kid's stuff, it's stuff that dreams (and a few nightmares) are made of: Come and be totally astonished and maybe a little bit scared. Journey to a world of mystery and spectacle.

With material written by Anna Maria Murphy (The National Theatre, BBC Radio 4), with a style between *Edward Scissorhands* and the wonderland of *The Wizard of Oz*, the show blends the innocent with the macabre, optimism with the inescapable and the real with the fantastical. Marvel at the exquisite heartache, the torturous hilarity and breathtaking magic. Based at the Eden Project in Cornwall, Rogue Theatre includes members from legendary theatre companies Knee-high and Cirque du Soleil. Visit [www.roguetheatre.co.uk](http://www.roguetheatre.co.uk).

The September show sold out and this one should be very popular: get your tickets soon. Designed for adults and young adults, it can be enjoyed by an adventurous family audience aged 10 and above. Help the atmosphere by dressing for the 1920s or in a style fitting the show - a prize for the best outfit. Friday 13th October at 7:30pm at the Theatre at the URC Hall. Tickets £7 and £5 (concessions). Reservations and (e)mailing list please contact 01298 871063 or [t](mailto:heatre@tideswell.net)[heatre@tideswell.net](mailto:heatre@tideswell.net). Tickets also on sale at Tideswell Stores.

Gerard Rogers      01298 871063      [theatre@tideswell.net](mailto:theatre@tideswell.net)

The performance is arranged by Tideswell Theatre through Live and Local, the scheme to bring top quality professional entertainment to rural communities, with financial support also from the Arts Council, Derbyshire County Council and Derbyshire Dales District Council.

## TIDESWELL LADIES DARTS & DOMINOES LEAGUE

Although China tea-cups and Church Halls may not sound like a Darts & Dominoes venue I can assure you that is where one of the first Ladies Darts matches was played.

It all started off way back in the mid 1970's with Tideswell Women's Institute being challenged to a game by Bakewell W.I. This game was actually played at the Monsal Head but Tideswell then went on to play games as far away as Wildboarclough, that being the one played in a Church Hall, although I must admit it was a race against time to get the last game finished before closing time at the nearby pub !!!

Wynn Duffield the landlady of The Star Inn was a W.I. Member. Being in the 70's, or maybe just because we were "The W.I.", whatever the reason, we gathered in The Star once a week to practice - BEFORE opening time. When The Star opened its doors at 8p.m. we all went home!! Can you believe it ?

As time went by organizations such as The Young Wives, Litton Horticultural Society along with all the pubs in Tideswell got together to form the Tideswell Ladies Darts League. Dominoes was added as an extra attraction a few years later. Over the next 10/15 years the League flourished. In its heyday 60 or more ladies would gather in the Ex-Servicemen's Club for "Memorial Night" and "Finals Night".

On Finals Night the Snooker Table could be heard to groan with the weight of Trophies and on Memorial Night a charity fundraising was held for charities with women and children in mind.

Sadly, these last few years have seen numbers dwindle, so much so that the League has now closed.

A meeting was held in the George Hotel where a few players heard Treasurer Joyce Allen give her report. A final balance of £148.52 is to be donated to Ashgate Hospice. The Secretary Diedre Slack reported that any Trophy donated would be returned to the family concerned. All that remained was for the Chairman Margaret Lingard to finally close the meeting at 8.45p.m. on Tuesday 26<sup>th</sup> September 2006.

The end of an era.
